Number 1

Harry Lee Appointed To Replace Parker

Harry Lee was appointed commissioner of public relations at a special meeting of the commission held last Wednesday morning.

The position was vacated this year when Jerry Parker decided to transfer to San Jose State College.

Lee will have one of the most difficult positions to fill on the commission. The commissioner of public relations will work under the supervision of the college director of public relations. He will aid in the publicizing of student activities and be chairman of the student publicity committee.

George White, president, expressed extreme confidence in Lee's being able to fill the job.

Joyce Anderson To Edit Annual

Under the new editorship of Joyce Anderson, La Reata is going full steam ahead on plans for a 112-page annual this year. Sales manager Phil Cordrey has announced that pledge card sales will start in October, with student body card holders getting the book for \$2.50. Noncard holders must pay \$5.00, the full cost of the book.

Other members of the staff are Charles Moresi, art editor; Annabelle Gee, freshman editor; Nancy Nutting, sophomore editor; and William Smythe, Marvin Smoot, and William Pierce, photographers. Arrangements for a unique cover are being made with the S. K. Smith Company of Los Angeles.

Joyce replaced Jerry Parker as editor when he failed to show up this semester.

BAND WILL NOT PLAY AT BALL GAMES UNLESS ENLARGED

Hartnell College will get off to a bad start in its first year under the new name in respect to not having a playing band for any of the football games, according to Mr. Lorell McCann, music instructor for the college.

The reason is the small number of musicians that turned out this year. Mr. McCann stated that there will be a band if 20 more musicians sign up. He has already done everything possible

Majority of 1948 Grads Are Attending U.C.

The majority of last year's graduates that have gone on to another college have chosen the University of California as their school.

Those attending California are Mary Anderson, Bill Bardin, Bob Bushta, Oscar Burke, Stan Breslauer, Martha Breslauer, Jim Cavanah, John Cavanah, Margie Diaz, Frank Doughty, Roger Erickson, Leroy Gee, Allan Himmah, Ronnie Marrington, Ken Melrose, Harry McKenzie, Norman Nuck, Bob Pia, LeRoy Rior-

dan, and Stuart Smith. San Jose State has also claimed many students. Registered at the Spartan campus are Gene Grant, Ann Hodgson, Jerry Parker, and Ed Pierson. Dean Dillingham, Anita Norris, and Joy Garcia are attending U.C.L.A., while Ray Adams is continuing at U.S.C. Margaret Melrose is at Santa Barbara State and Paul Miljanich is at University of California at Davis. Tony Mercante is attending Santa Clara; Aubrey Harding and Keith Daugherty are at the College of the Pacific. Steve Pista is continuing his art career at California Arts and Crafts in Berkeley. Dolores Johnston is at San Raphael Dominican College. Traveling out of state to finish their education are Ted Kjaer, at Iowa State Teachers' College; Clarence Brown at the University of Nevada; Roy Williams, University of Portland; and Arnold Hiserman at the University of Denver. Hal Hunter is attending University of Idaho, and Tom DeBord is at the University of Cincinnati.

(Continued on Page 3)

TEA TO HONOR NEW STUDENTS

All women students are cordially invited to the first Upsilon Gamma Chi event of the year, which will be the Welcoming Tea. The tea will be held Tuesday, September 21, in the home economics living room (Continued on Page 3)

Frosh Reception Set for Sept. 24

The annual Frosh Reception, and dance, will be held September 24 after the Bakersfield game at 10:30 in the men's gym. The Gerald Hill septet will be the orchestra of the evening. This orchestra features two fellows who were runners-up in the Horace Heidt contest.

The Frosh Reception is usually one of the best attended activities of the year so be sure to come. Admission will be free.

Ingols Heads Rally Committee, Yell Leaders

Loren Ingols, head yell leader, states that he has several prospects in mind to assist him this season with all the duties connected with college activities in which yell leaders are needed.

Five yell leaders are to take care of the morale and school spirit at all the games this season. An all-girl pep squad is planned. They will perform before each game as well as between the halves. Ramona Kilfoyl will assist Ingols in formation of the squad.

Co-operation is needed to assure a successful season with the yell leaders and the pep squad, so if anyone is interested in joining the organization, contact Ingols as soon as possible.

Also under the guidance of Ingols will be the Panther Rally Committee. Dick Rohrbacher, Richard Rampone, and Loren Ingols have held several conferences in order to get things under way early in the year, so as to have plenty of rallies and half-time activities scheduled with other schools.

Exchange rallies with all the schools on the Panther football schedule are now being arranged. Talent is needed to put on shows for opposing schools on the football schedule. Persons interested in taking part in shows and rallies should contact Ingols.

Men's Glee Club To Give Performances

Hartnell seems to be opening with "firsts." This year the strains of men's vocal chords can be heard in the music wing. Miss Vivian Stewart announces that a men's glee club is now started and probably will be performing at school functions during the school year. They are choosing their music from the more popular vein.

The College Choir (formerly a cappella) has many new members and four returning artists. Robert Jensen, tenor, studied at College of the Pacific this summer and had a role in an opera while at the college. Jane Barrick, Chuck Lewis, and Arlen Feldt are the other returning

(Continued on Page 3)

640 Students Enrolled For First Semester

Latest enrollment figures show a total of 640 students, of which 467 are men and 173 women, at Hartnell. Of this number, 515 were enrolled on the two registration days. Such was the case last year also, and increased student enrollment is keeping the total much the same as last year's.

For the first time since the war more than half of the students enrolled are from the Salinas Union High School District. Some 310 students are from outside of the district.

Enrollment of veterans has dropped to 140 against 290 attending last year.

Another drop registered against last year is in the ratio. Last year it was three men to every woman; this year it is nearer to two men to every woman. And

(Continued on Page 3)

Psychological Exams To Be Given Tuesday

Psychological examinations are being scheduled in the Little Theater for all new students and those who did not take the one given last year. There is a sign-up sheet on the main bulletin board so students may select the hour which they prefer for either Tuesday, September 21, at 1 or 3 p.m. or Thursday, September 23, at 2 p.m. Students who have classes at these hours may take it at noon on Thursday.

Only 110 students may take the test at one time. The only equipment needed is a pencil or two with good erasers. This test is given by colleges and junior colleges to determine the students' scholastic aptitude.

Tickets for Students' Wives May Be Obtained for Price of Tax

Married students will be bringing their wives to games this fall. For the price of the admission tax, they can secure tickets, according to the plan approved by the commission Monday.

Mr. Karl Bengston told the commission that this plan would be better than any previous plan and only the tax for each game would be charged. The only stipulation is that the tickets have to be secured during the week or before the end of school on the Friday before the game.

Mr. Bengston also said that

quite a few jobs were open for students who wanted to work at the games selling tickets, refreshments, or programs.

Bernice Sommers was elected to serve as secretary of the Supreme Court.

The need of more members on the Rally committee was also brought up.

Besides the regular members, Ben Marcus, a representative of Hartnell A. and M., was present to find out about the possibilities of bringing the fellows from A. and M. in to the assemblies and rallies.

(Continued on Page 3)

JOBS AVAILABLE

Students interested in part-time jobs should file their applications in Mr. Jerry Girdner's office.

WEE GEE

By ANNABELLE

Back at the grind and we see familiar sights . . . loafers (not shoes) on the south lawn . . . Phil Cordrey's monicker in the main hall . . . the latest "hits" of '47 on the cafeteria juke . . . football players knocking themselves out at practice . . . dancers knocking themselves out at square dancing in the women's gym . . . and the shoe-eyed members of 8 o'clock classes.

Maybe some of you saw the most recent issue of Reader's Digest. One article dealt with letters written by small-fry who entered a "My Pop's Tops" contest sponsored by the Milwaukee "Sentinel."

Here are a couple of the eye-openers:

"I think all Pops are tops because if we didn't have Pops where would we be?"

"My Pop is a farmer. He smells like a cow and when I smell that cow in the house I know Pop is home and I am glad."

"My Pop's Tops because he always takes good care of us children when my mother is in the hospital getting another. I have eight brothers and four sisters and know from experience."

Ouija is a game or an instrument used in finding answers to the future or past through the mystic medium (Fortune telling to you). Anyway, it is usually pronounced Wee Gee. Hope someone sees the light now. Each time this column is published (?) I will endeavor to make a startling prediction of things to come!

Usually the good old school spirit comes out pretty strong for the first football game and the first dance. But not long after it begins to sag. Of course, a lot has been said on the subject but we know Ingols and the rest of the leaders and football players need a lot of backing from then on whether we win, lose, or draw. So try to get out to all of the games and maybe some of those out-of-town ones, too.

Been reading the comics lately? A couple of those "Schmoos" could really deflate inflation. According to "Lil Abner" and Al Capp they are good for everything in the way of food and suspender buttons. They also die of sheer delight and multiply by the dozens. Some people can really use their imaginations.

A fellow who stood looking at himself in a mirror, noted his bloodshot eyes and resolved never to go into a bar again. "This television," he muttered, "is wrecking my eyes!" We thought so, too.

**Four Instructors
Join Faculty**

Hartnell is welcoming four new instructors this year, Miss Eleanor Perry, Mr. Jerry Girdner, Mr. Richard Carlisle, and Mr. Harold Ulrici.

Miss Eleanor Perry, who is teaching English, graduated from the University of California, and received her master's degree there. She has taught at Amador Valley High School in Pleasanton, South San Francisco High School, College of Notre Dame in Belmont, and San Francisco City College Summer Session, 1947.

Mr. Richard Carlisle graduated from Salinas Junior College in 1939, and received his master's degree from U.C.L.A. in 1948. He was graduation speaker of his class here, having an "A" average. He is a permanent member of Alpha Gamma Sigma. He is teaching astronomy, chemistry 51, geology and physical science.

Mr. Jerry Girdner, dean of guidance and counseling, graduated from San Jose State in 1940, and received his master's degree from Stanford in 1948. He spent five years in the infantry, and was a rifle company commander in Italy, and was an instructor at the Infantry Officer Candidate Training School. Before receiving his master's degree he spent seventeen months at Hartnell as a veterans' counselor.

Mr. Harold Ulrici, the new dramatics instructor, received his A.B. and M.A. degrees from College of Pacific. He also studied at Hastings College of Law. He is a regional director of the National Thespian Society, and has been teaching at Salinas Union High School since 1939.

**H.C. Transfers
Earned Highest
Grade Averages**

Transfers from Hartnell College to the University of California have earned higher average grades at U.C. than transfers from any other California junior college.

This information was received by Mr. John B. Lemos, Hartnell College president, from Mr. Hiram W. Edwards, director of relations with schools for the state university.

Students from Hartnell College, then Salinas J.C., earned a 1.43 grade point average. This was way above the state public junior college average of 1.31.

The grade point average, Mr. Lemos said, was established by transfers in the U.C. year 1946-47. These transfers were to both the Berkeley and Los Angeles campuses. The average differential between grades earned at U.C. and Hartnell was only 0.22. The differential was .34 for all other public junior colleges.

Pointing out that this differential was the lowest in the history of the college, President Lemos said that it places Hartnell on the top of the list of all California junior colleges.

The average grade of Hartnell in Salinas was 1.65. During their first semester at the University of California these same students earned a 1.43 rating. The difference accounts for the 22 differential.

President Lemos explained that a perfect score would result in no differential between U.C. and Hartnell grades. Such a zero differential would mean that local instructors were grading students the same as the U.C. professors.

President Lemos said that the 1.43 grade point average of the 1946-47 transfers was the highest scored by Salinas Junior College transfers since 1939-40.

EDITORIAL

By BETTY WARREN

With our first football game becoming a realization next Friday evening, college spirit hits an all-season high. Everyone will probably be rooting and generally having a good time at the game and dance that follows. Where the "spirits" will be after the game is another thought.

State laws absolutely forbid the use of liquor on public school grounds. The only way to prevent a lot of heartaches and accidents is to make an appeal NOW to the student body at large. If you have a pint in the back pocket don't even attempt to come on the campus. Remember the Supreme Court is now in effect and any person found guilty will find a stiff penalty waiting.

Two other reminders are the smoking and parking measures around the campus. Smoking is permitted any place except in the building itself and on the front lawns or entrances between the two sidewalks. Parking is limited to the parking lots at each end of the grounds or on the college side of Homestead Avenue.

Getting back to the school morale or spirit we find that very often after the first game things grow lax and the spirit of the student body dwindles. Do those fellows on the team and the fellows leading the cheering lose their pep? That is when they really need the support of the rooters! They would like to see a big rooting section turn out to every one of those games whether the team is doing a bang-up job or not or whether the game is at Salinas stadium or out of town. Don't forget to get out to the rallies, too, and yell your heads off.

MEN'S GLEE

(Continued From Page 1)

choir members.

Miss Stewart said the combined choruses are going into the practice of "H.M.S. Pinafore" with a possible future performance in mind.

The choral groups still have openings for potential singers but no openings are seen in the private voice and piano sections.

Dick Heim Awarded \$600 Scholarship

Dick Heim, who was a graduate of Hartnell in June, 1947, with the highest grade point average in the history of the college, has made an "A—" average in his first year at Stanford. Because of his outstanding record he has been awarded two scholarships for this year: the \$200 Raymond Hansen Memorial award, and a \$400 university award.

Heim, who is from Gonzales, was student speaker when he graduated from Hartnell.

Phil Trine, who is in Letterman General Hospital, ward K-2, recovering from polio, is responding to all treatments and is showing marked improvement. Phil was stricken July 5, while at Santa Cruz.

Phil has been playing bridge and learning chess and belt-making for recreation. He has been following the games of the Oakland Oaks, but tells us that when Hartnell starts the sport schedule, he will keep posted on all its activities.

The girls' Olympic swimming team visited Letterman Hospital and Phil had his picture taken with Ann Curtis for the Foghorn, the hospital paper.

Last year Phil was very prominent in all school activities and particularly in sports and journalism. He was commissioner of public relations.

GRADS ...

quired knowledge and putting it to good use are Gloria Nunes and Alberta Paculba who are both working in the Hartnell College office. Keith Andreason is employed by the Bell Telephone Company. Firmin Gryp is also working in Salinas for Tynan's Lumber Company.

Gerry Rianda and Doris Sakasegawa are working in the attendance office of Salinas Union High School. Lily Perez is going to a modeling school in San Francisco.

BAND ...

(Continued From Page 1)

arranged to practice three times a week for two units.

There are many instruments available free for students who don't own musical instruments. Instruments available are four sousaphones, two trombones, two baritones, two bell front altos, four French horns, three field drums, one Scotch bass drum, one cymbal, 10 bugles, one piccolo, one clarinet, one oboe, one bassoon and one baritone saxophone.

A good start has been made with the string orchestra, however, but there is still room for bass viol players, cello players, viola players, and violin players. A bass viol, cello, and viola are available for students without instruments.

640 STUDENTS ...

(Continued From Page 1)

next year is expected to be approximately the same as this year.

Watsonville leads the adjoining communities again with 104 students attending Hartnell College. Santa Cruz is a close second with 80.

Making up the rest of the student body are 19 students from Pacific Grove, 15 from Carmel, 9 from Gonzales, 10 from Soledad, 22 from King City, 14 from Gilroy, 3 from San Martin, 9 from Monterey, and 25 attributed to "miscellaneous."

Hawaii, Philippine Islands, Chicago, New York, Denver, Kansas, and Texas are also represented.

TEA ...

(Continued From Page 1)
(room 35) from 2 until 4 p.m.

Beverly Brown and LaVerne Burton are co-chairmen for the event. Members of the tea committee are: Lorraine Signorotti, Elsie Bassi, Dolores Ruiz, Ramona Kilfoyl, and Donna Musler.

The clean-up will be done by Barbara Elkins, Jacqueline Gaudin, Honey Harris, Rosemary Hobson, and Corky Castro.

STUDY LISTS DUE SEPT. 24

Next Friday, September 24, is absolutely the last day to file complete and accurate study lists. After that date no new courses may be added. October 15 is the last day classes may be dropped without receiving an "F" in the course.

Varsity-Town Clothes "LITTLE BLUE BOOK"

With a copy of this compact, 164 page, up to date encyclopedia in your pocket you'll be rich in information—a positive authority on many subjects of popular interest such as: who plays when—what happened last year—champs and records in all sports—pertinent data of all sorts—fraternity and sorority information—expert Varsity-Town advice on what to wear when and how to give clothes proper care. The Little Blue Book also has lots of space for addresses, "numbers", personal records, etc.

It's the Biggest Little Book in the World and Your Copy is here - FREE!

Just come in to our clothing department and we'll gladly make you a gift of a Varsity-Town Little Blue Book—the greatest little pocket pal a fellow ever possessed. But hurry—our supply is limited.

1948 HARTNELL SQUAD

PANTHER FOOTBALL PROSPECTS BRIGHT

Facing their toughest schedule since prewar years, the Hartnell College Panthers show signs of fielding the finest squad since the championship team of 1939. Deeper in reserves than last year's squad, with a better all-around backfield and possibly a stronger line, the team gives head coach Bob Robinett a bright outlook for a winning season in his sophomore reign at Hartnell.

A turn-out of 50 men, including six returning lettermen and some very likely looking newcomers, creates a rosy picture for Panther football rosters.

Bob Robinett

Doyle Burnett, swivelhipped half-back, and glue-fingered Jim Morrison return from last year's eleven. Ev McAdams, from the '46 team, Stan Miller, Louis "Gordo" Marquez, and Pete Pestoni are all to be included in the list of returning lettermen to figure heavily in the success of this year's team.

A great deal of the load of the Panther attack this year will center on freshmen and transfers. Leading these yearlings is Ed Brown, 190-pound quarterback star from San Luis Obispo. He is an excellent passer, kicker and runner. His ball handling off the "T" leaves very little to be desired. Jim Echeveria, former Sa-

linas high school star, and Jim Cordial, an all-state halfback of Anaconda, Montana, form a possible starting backfield unit along with Burnett and Brown for the season opener against Bakersfield.

Ev Skrine, a hard-running all-city halfback from Chicago, and Mike Hodar, a speed burning all-conference half from East Chicago, lead a parade of talented backs pressing for starting berths.

Lost from last season's forward wall are three all-conference linemen. However, with the reserves, the line this year could be stronger than last year's cracker-jack stalwarts. Packing up the aforementioned lettermen in the line are Ed Dysle, 215-pound guard from Santa Cruz and a transfer from the University of Nevada; Jim Micheletti, rough and tumble line backer from St. Mary's; Bill Whited, an end from Miami, Oklahoma; and Len Diedricks, a hard-charging tackle from Missoula, Montana.

Doug Beatty, Bill Key, and Frankie Cortez lead the battle for the other tackle spot with Loren Green and Bob King dueling for a starting position in the guard slot. Tom Phillips and Nate Williams are the leading center candidates.

HARTNELL FOOTBALL ROSTER

Jim Murray, tackle	18	205	6 ft.	Anaconda, Mont.

Hartnell Games To Be on Air

A broadcasting booth at the Salinas stadium is being rushed to completion for the first game of Hartnell College, September 24. All of the games will be broadcast over the Salinas station KSBW but some of them will be delayed because of other program commitments.

Announcer for the games will probably be Don Wells, program director at KSBW and graduate of the local college.

The games that will be delayed until 10 o'clock that same night will be Bakersfield J.C. here; Stockton J.C., here; Modesto J.C., here; San Mateo J.C., there; Menlo J.C., there.
